LASER HAIR REMOVAL

DID YOU KNOW?

The laser light penetrates the skin and melanin pigments contained in the hair absorb the energy. By absorption, the light energy turns into heat and damages the surrounding cells, which are responsible for hair regrowth.

IT IS NOT
IPL OR SPL.
IT IS THE
REAL THING...
LASER!

WE ONLY OFF THE 'BEST'

You have the choice of **\$70 for 5mins** as per the laser pricelist.

VANI-T SPRAY TAN
